

Panduan Membuat Website dengan Domain dan Hosting Gratis !!!

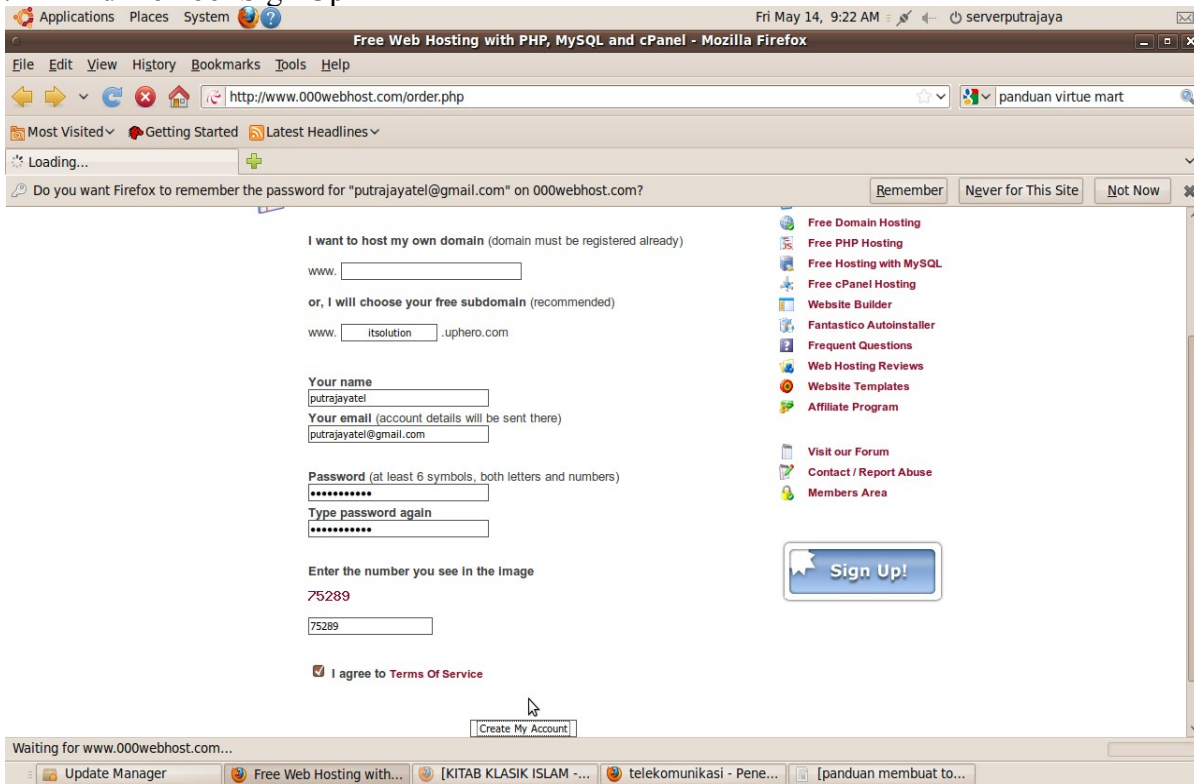

A. Mendaftar Domain dan Hosting terlebih dahulu.

1. Domain dan Hosting Free bisa anda ketik alamat website <http://freehosting.putrajayatel.com> atau di klik disini <http://freehosting.putrajayatel.com>

Klik pada Sign Up

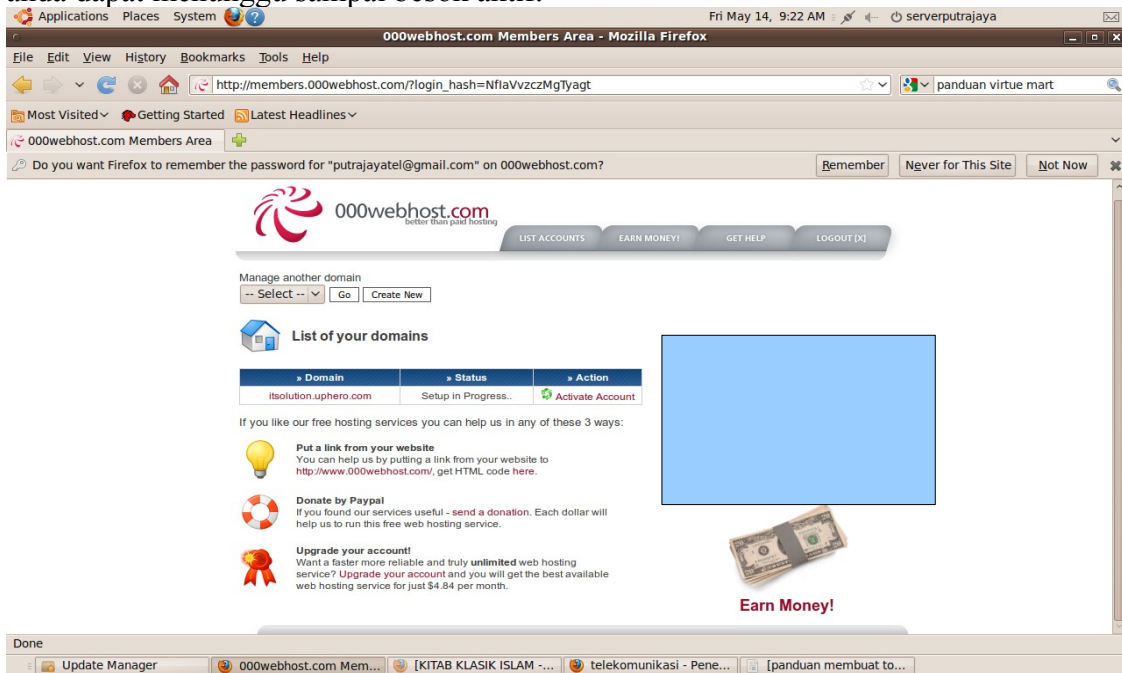

2. Klik di Tombol Sign Up

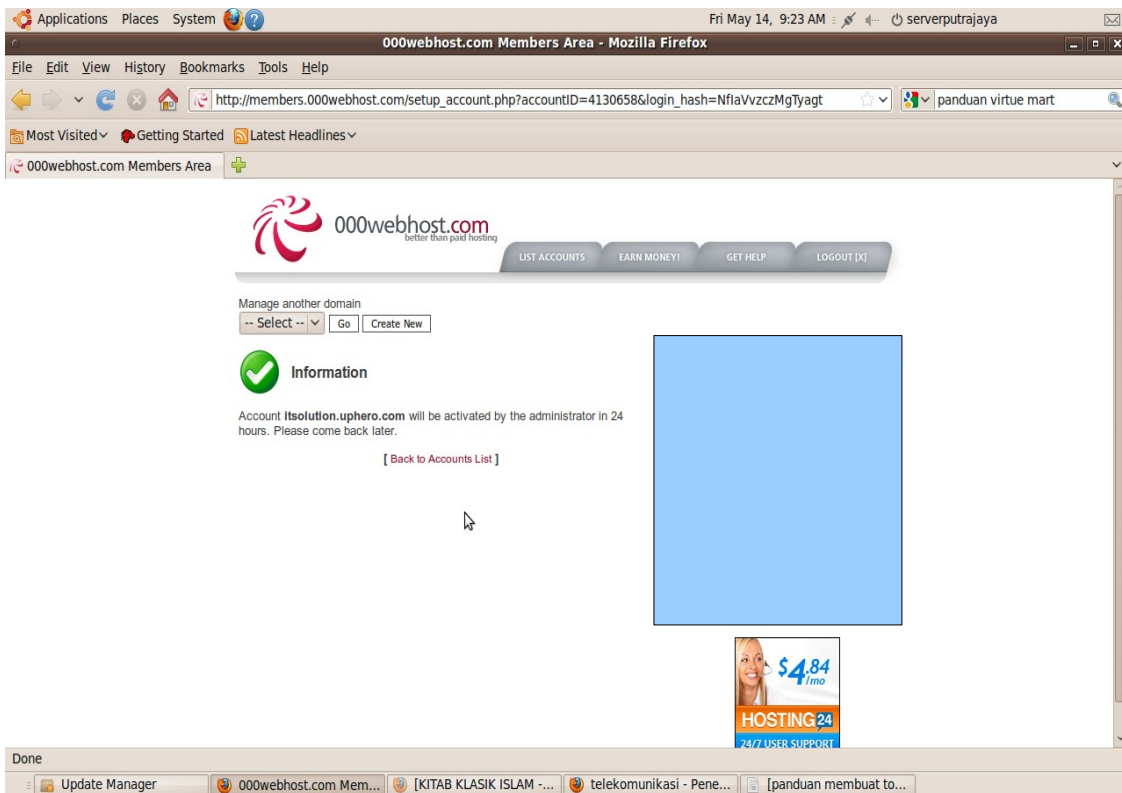

Isilah nama domain anda untuk yang gratis pilih di baris kedua free subdomain, Nama, Email, Password (perpaduan huruf & Angka min 6 karakter), masukan kode angka beri tanda centang I agree to Term Of Service kemudian Create My Akun

3. Setelah menekan tombol Create My Akun, Maka Akun anda akan di aktifkan dalam waktu 24. anda dapat menunggu sampai besok aktif.

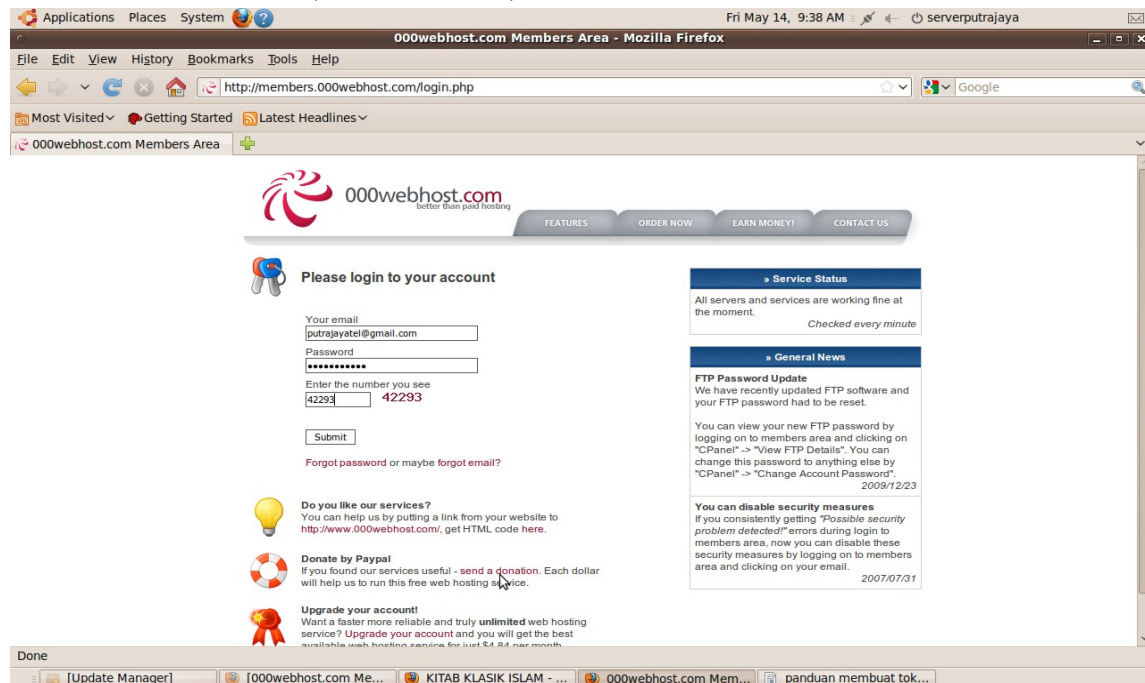

Jika anda klik di Activate Account maka akan terlihat tampilan seperti dibawah ini.

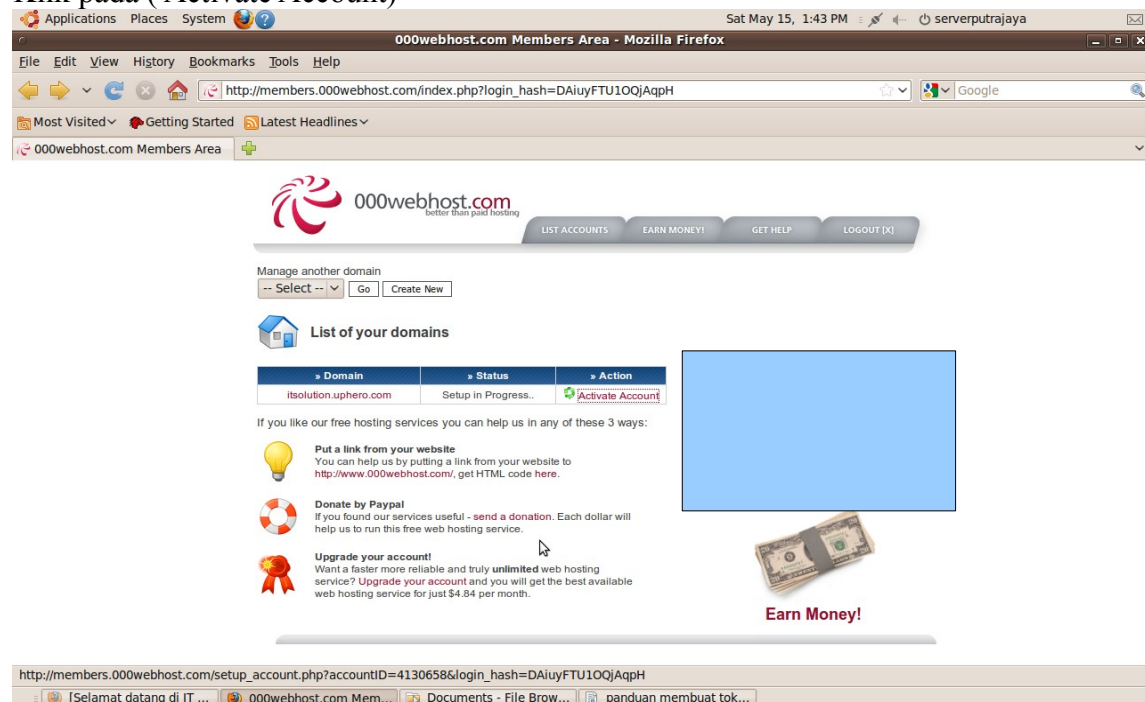

Logout lah terlebih dahulu dan kembalilah besok pagi.

4. Setelah sehari akun anda akan aktif anda bisa mengunjungi lagi <http://freehosting.putrajayatel.com> anda bisa masuk ke Member Area dengan menggunakan Email dan Password yang sudah anda daftar kemarin. Klik di (Member Area).

masukan email dan password anda, isi kode angka, kemudian tekan tombol submit.

5. Setelah anda masuk aktifkan dulu akun anda caranya dengan konfirmasi melalui email. Klik pada (Activate Account)

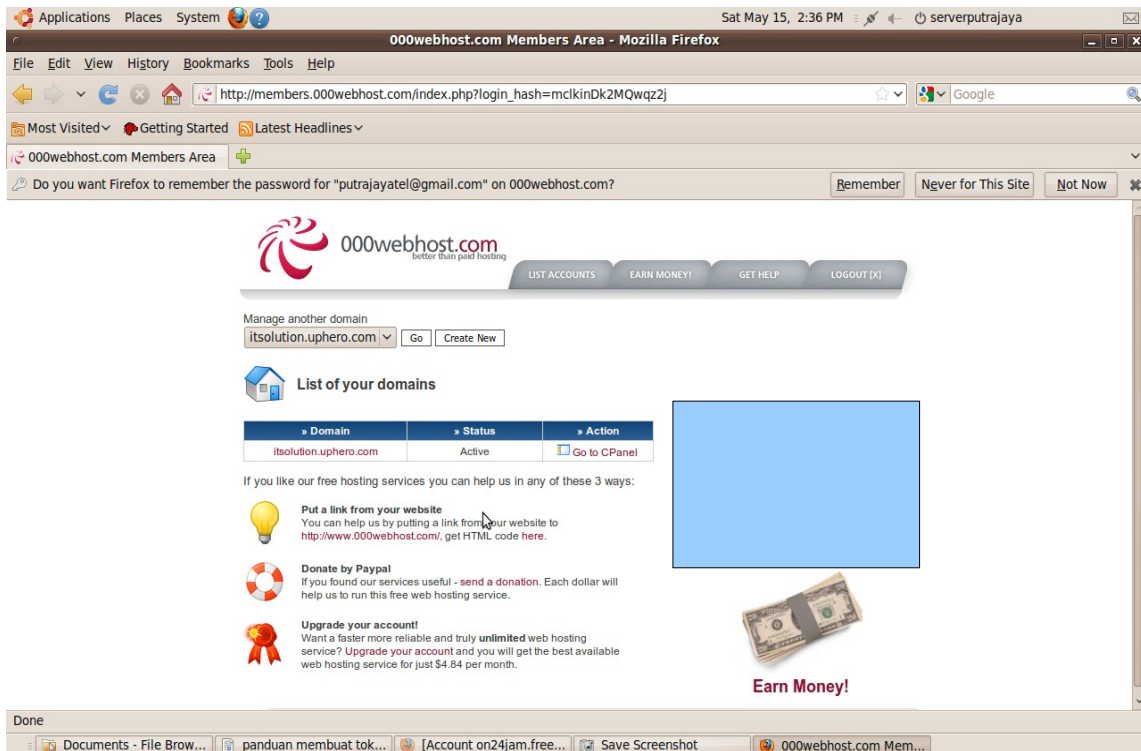

6. Confirm Email dan Setup Account klik pada (Confirm my Email)

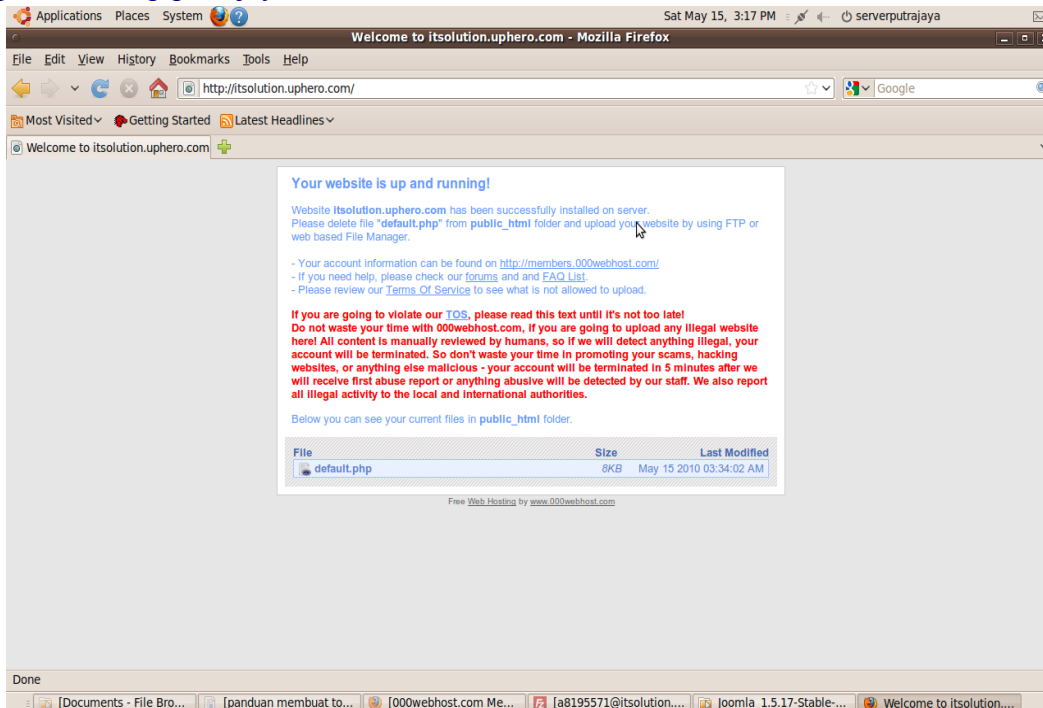

The screenshot shows the 000webhost.com Members Area in Mozilla Firefox. The page title is "000webhost.com Members Area - Mozilla Firefox". The URL is http://members.000webhost.com/setup_account.php?accountID=4130658&login_hash=DAluyFTU1OQjAqPH. The page features the 000webhost.com logo and navigation links: LIST ACCOUNTS, EARN MONEY!, GET HELP, and LOGOUT [X]. Below the logo is a "Manage another domain" section with a dropdown menu set to "-- Select --" and buttons for "Go" and "Create New". The main heading is "Confirm Email & Setup Account" with a green refresh icon. The text reads: "Before your domain can be activated, we need to confirm your email. Click on 'Confirm my Email' and we will send you account confirmation link to putrajayatel@gmail.com. If you will not receive a message from us in 5 minutes, you can update your email a try again. We recommend to use Gmail.com as it has no problems in receiving mail from us." There is a "Confirm my Email" button and a "[Go Back]" link. A large blue rectangular placeholder is on the right. At the bottom right, there is an advertisement for "Unlimited Web Hosting! HOSTING24 24/7 USER SUPPORT". The browser's taskbar shows several open tabs, including "Selamat datang di IT ...", "000webhost.com Mem...", "Documents - File Bro...", and "[panduan membuat to...".
